Chairman Brian reported that the Town will pay half of the cost for work shared with the Town of Estella. He noted the missing 310th sign, recent bus window damage, and confirmed he will follow up on both items.

Mowing throughout the Town has been completed, and crack sealing is scheduled to begin next week.

A community member presented a painting of the old Holcombe bridge; Brian will let them know the Town would be happy to find an appropriate place to display it if they choose to donate it.

Swimming lessons on 7/16 were cancelled due to wildfire smoke and safety concerns. A volunteer has agreed to provide boat coverage for the final day of lessons.

J. Ewer expressed interest in one of the Reserve Class B licenses.

Supervisor Staudacher provided an update on the Veterans Memorial project. The committee is not moving forward with one single-building plan.
