

Town of Lake Holcombe

COMPREHENSIVE PLAN

COMMUNITY SURVEY

The Town of Lake Holcombe is working with the West Central Wisconsin Regional Planning Commission to prepare its Comprehensive Plan. This plan will be used to guide Town actions on topics such as housing, economic development, land use, and quality of life.

Town Residents - We need your help to identify our shared priorities for the next ten years!

Please watch your mail in the next few weeks as the Town will be mailing out a survey to each household within the Town. Be sure to complete the survey and return it using the self-addressed, stamped envelope that will be included in the mailing.

While your participation is voluntary, it would be greatly appreciated. All responses will remain completely confidential. Responses will be combined and the results will be presented to the Town Planning Committee at a future meeting.

YOUR PARTICIPATION IS IMPORTANT AND APPRECIATED!!

If you have any questions, please contact:
